CTS FRONT ENGINE

CTS FRONT ENGINE

Champion. The name speaks for itself. Dedication. Performance. Achievement. That's what we do and who we are. Our customers deserve quality and the peace of mind that only a skilled workforce with an ever-onward dedication to safety can provide. From small to mid-size transit buses, Champion's product lines always earn a spot on the podium. Now that's something to be proud of.

Feel free to load it up – the CTS can handle it. Built to accommodate large groups AND their belongings, the CTS model is ideal for public transport, higher learning and faith-based institutions.
